#### **Accessibility at The Henry Ford**

Throughout the year, The Henry Ford offers virtual verbal description programs that offer users an opportunity to learn about a variety of the museum's collections, including detailed descriptions of images. The experience is available via Zoom or phone and is free, but registration is required. The next program, featuring art pottery, will take place May 9 from 2 to 4 p.m. To find out about upcoming programs or to register, e-mail accessibility@thehenryford.org or call 313-982-6168.

The Henry Ford also offers tactile tours with three weeks' advance notice. These tours offer opportunities to touch artifacts and models of artifacts throughout the museum, including the Rosa Parks bus, the Allegheny Locomotive, and the Dymaxion House. Tours are an hour and a half in length and include descriptions and background context provided by museum staff. Additionally, descriptive audio is available for some of the films at The Giant Screen Experience. For more information about these opportunities, e-mail accessibility@thehenryford.org.

#### **CCTV/Video Magnifier Donations**

OTBS accepts donations of Video Magnifiers in working condition (flat screen units only; please, no CRT monitors) and will pass along the donated units to other Oakland County residents with visual impairments.
